Dear Admiral Turner:

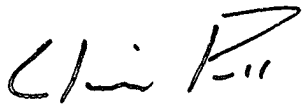

We are pleased to invite you to a timely event.

Arrangements have been made through negotiations with the Hiroshima Peace Memorial Museum and the Junior Chamber of Commerce of the City of Hiroshima to display the Hiroshima-Nagasaki A-Bomb Photographic Exhibition in the Russell Senate Office Building Rotunda from Sunday, June 8 through Friday, June 13. It is our firm belief that as the people of the United States and Japan reflect deeply upon the past misfortune and overcome every hatred and grudge, world peace can be advanced. Therefore, this exhibition has great historical meaning and will, we believe, have wide impact in sensitizing us to the horror of nuclear war.

We want especially to invite you or your representative to a reception in the Senate Caucus Room (318 Russell Building) on Monday evening, June 9, from 5:00 to 7:00 p.m. to witness personally the impact of the exhibition and meet the Hiroshima officials who will be accompanying the display.

If you have any questions in this regard, please contact Tom Getman at 224-3753.

Kind regards.

Claiborne Pell
United States Senator

Sincerely,

Mark O. Hatfield
